## Bear Hunting in California.

A Californian gives the following thrilling account of

a bear hunt on the Upper Yuba: After dinner they mustered double barrelled guns and rifles to the number of fourteen shots, and started for the chapparal. Upon reaching it the men very impradently scattered, some venturing into see if they could start her, while others climbed trees to be in a place of safety, and to get a view of the ground. Among those who took a tree was Charles H. Packard, who had gone a short distance into the brush and, as he had no gun, "why, my dear boy, you can't eat your eent and keep to the owner of goods who wishes to dispose of them, placed himself in a sapling about six inches through.

Well, I know that now, but there's something and avails himself of this medium to make it known, is

Mr. Packard was carried to the house, and notwithstanding he is so terribly mutilated is in a fair way to recover. He said this morning that he thought he would be up in a few weeks. This bear is said to be one of the largest kind, and in consequence of being wounded had become furious. She has not been captured.

## California.

More accurate intelligence from this State reduces the democratic majority from the first erroneous telegraphic statement of it to five thousand, and estimates the whole vote at seventy thousand. In the legislature the democrats have twenty senators out of twenty-seven, and about two-thirds of the members of assembly.

It's curious, and it puzzles me; it's a fact in metaphysics, that I can't account for, and I never shall. It's martyrdom, and you won't catch me after Pm twenty-one, singing "I would I were a boy again!"—Olive Branch.

Por some years past this State has paid several hundred dollars a year for office rent, for the offices of the Secretary and Auditor of State. # New Banks.

The new Free Banking Law has created a hostof banks throughout the State. In addition to the Prairie city Bank, which has gone into operation here, there are two or three contemplated to be shortly established. The Trader's Bank with a capital of \$100,000, and the Merchant's Bank with a capital of \$50,000, and the Merchant's Bank with a capital of \$50,000, the last the sole property of a private individual, Mr. Sandford of New York city.

We learn from the Express that there is another bank in subsection for this place, builton from Italian.

The Crawfordsville Locomotive is enlarged and mproved. It is now a handsome and spicy little journal. We wish it success.
